Seattle, WA 98107

**SR 520, I-5 to Medina: Bridge  
Replacement and HOV Project  
Section 106 Programmatic Agreement  
Final Version for Signature**

Dear Mr. Decker:

Thank you for your continued consultation for the SR 520, I-5 to Medina: Bridge Replacement and HOV Project.

As you know, the Federal Highway Administration (FHWA) and the Washington State Department of Transportation (WSDOT) have developed a Section 106 Programmatic Agreement in consultation with the U.S. Army Corps of Engineers, National Oceanic and Atmospheric Administration, the Advisory Council on Historic Preservation, the State Historic Preservation Officer, affected Tribes, and a number of other consulting parties. Since fall 2010, we have consulted with all parties to outline the Section 106 Programmatic Agreement process and schedule and to develop a list of measures. This year, we provided draft versions of the Programmatic Agreement for review and considered all comments, incorporating many suggestions from the parties.

We have now reviewed and considered all final comments from the parties, and we have produced the enclosed final Programmatic Agreement. Per the enclosed response form, please let us know whether and when you intend to sign the Programmatic Agreement. Please provide your response form by close of business on **Friday, May 20** via email to Steve Archer at [archers@wsdot.wa.gov](mailto:archers@wsdot.wa.gov) or via mail to Marsha Tolon at:

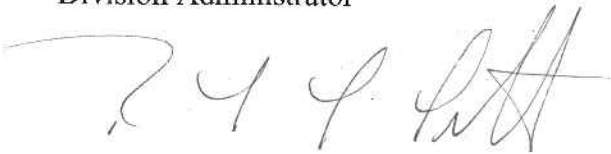

Marsha Tolon  
Washington State Department of Transportation  
SR 520, I-5 to Medina: Bridge Replacement and HOV Project  
600 Stewart St., Suite 520  
Seattle, WA 98101

Thank you once again for your continued participation in the Section 106 process. If you have any questions, please contact Randy Everett at 206-220-7538, or via email at [randolph.everett@dot.gov](mailto:randolph.everett@dot.gov).

Sincerely,

DANIEL M. MATHIS, P.E.  
Division Administrator

A handwritten signature in black ink, appearing to read 'Randy Everett', is written over the typed name and title.
